Superior Vena Cava
Inferior Vena Cava
Right Atrium
Fossa ovalis
(inside Right Atrium)
Tricuspid Valve
(Right Atrioventricular Valve)
Chordae Tendineae
Right Ventricle
Papillary Muscle
Interventricular Septum
Pulmonary Semilunar Valve
Left Pulmonary Vein
Left Atrium
Bicuspid Valve
(Left Atrioventricular or Mitral Valve)
Left Ventricle
Trabeculae Carneae
Aortic Semilunar Valve
Ascending Aorta
Arch of the Aorta
Brachiocephalic Trunk (Innominate Artery)
Left Common Carotid Artery
Right Coronary Artery
Marginal Branch of the Right Coronary Artery
Anterior Interventricular Coronary Artery (Left Anterior Descending)
Circumflex Branch of the Left Coronary Artery
Great Cardiac Vein
Right Pulmonary Veins
Left Atrium
Left Ventricle
Descending (Thoracic) Aorta
Circumflex Branch of the Left Coronary Artery
Middle Cardiac Vein
Coronary Sinus
