FS 101 Career Research Project

Each student will research and evaluate two careers utilizing three different sources.

**Research Component** (20 points)

- Use a minimum of three sources altogether. In addition to Ferguson’s Career Guidance Center, you may use the links found on Ferguson’s Career Guidance Center and additional sources as found on the Library’s Career Guide found at [http://libguides.hacc.edu/careerguide](http://libguides.hacc.edu/careerguide). Other resources must be approved by the instructor.
- Project must include a Works Cited in MLA format.

**Written Response** (60 points)

- Provide an overview of two occupations, including an explanation of what the occupation does, salary and outlook of the career.
  - Be sure to include what type of work a person in this career might do, what type of education/training is involved, what skills are needed to be successful in the career, how one progresses in the field or career, what kind of pay someone might receive, and whether or not there will be jobs in the field.
- Evaluate how each of these two occupations meet your interest, skills, values and personality.
- The paper should be 2-4 pages double spaced and include a Works Cited page in MLA format.
